10:30 – 12:00pm	***Working with You is Killing Me*** • Katherine Crowley • Co-owner, K^2 Enterprises Everyone knows one… and sometimes more than one. The person who makes your life difficult at work, the one you "talk to" on your way to and from work, the one you wish would just go away! Katherine Crowley is a Harvard trained psychotherapist who has focused her career on developing strategies and tools to "free yourself from emotional traps at work". Effective for leaders at ALL levels, learn how to deal with individuals who are "killing you" at work.
12:00 – 1:15pm	*Lunch ▪ Poster Presentations ▪ Vendors*
1:15 – 3:00pm	***Working with You is Killing Me (Part 2)*** • Katherine Crowley • Co-owner, K^2 Enterprises Katherine Crowley will continue to explore creating real solutions for difficult workplace relationships… whether those relationships are with staff, peers, or even your boss. Using case studies, exercises and discussion, you will leave with specifics on how to take the next step and create a more positive and effective workplace for yourself and those around you. And by the way… many of these strategies work in your personal life as well.
