Sea Crest Beach Hotel welcomes visitors and conference attendees from around the world with the beauty, hospitality and magic of Cape Cod. The 700-foot private, white-sand beach is perfect for a beautiful walk, a relaxing nap in the sun or sunbathing to your heart's content. **Make your reservations early!** This hotel becomes very popular in early June.

Join friends and colleagues at the Awards Dinner and find out who this year's recipients of the Mary B. Conceison and the Elaine K. Sherwood awards are. Enjoy our speakers Tim Porter O'Grady (Thursday) and Scott Palmer (Friday; The Principles of Persuasion – Crafting your Message). As always the business meeting will be very informative and you will be introduced to the new ONL board for 2015-2016. We will also celebrate Sharon Gale's last annual meeting as the ONL Chief Executive Officer.

We are looking forward to seeing everyone in June.
