RN to BSN

Total Program Cost

\$7,950

30 credits; 18 Months to Completion

Earning a BSN means you'll have advanced nursing knowledge and expanded professional skills to excel in a global and increasingly complex healthcare system. Nurses with a BSN qualify for more jobs¹ and earn higher salaries² than associate degree nurses.

BSN to MSN

Total Program Cost**

\$11,930

31 credits; 15 Months to Completion

Earning your Master's in Nursing means you're ready to become a leader in the healthcare field. If you're a registered nurse with a Bachelor of Science in Nursing, this is the next step on the path to be a nurse educator or nurse manager. With an MSN from ACE, students gain greater knowledge and expertise, potential for career advancement or extension through a different role, and more variety in career options.

RN to MSN

Total Program Cost

\$19,775

55 credits; 30 Months to Completion

Turn your RN into an MSN with this accelerated program that also allows you to earn a bachelor's degree on the way to your master's. Designed to help you excel in evidence-based decision making, informatics, global perspectives and innovative thinking, this program prepares graduates to serve in educational or administrative roles in nursing.

Let us take care of your learning needs so you can take care of others.
